PHOTO 184. Sailpark Beach, Hood River, Oregon. The river beach, between the two jeties, is the main gathering point for windsurfers in the Columbia River Gorge. The event shown is the start of a women’s windsurfing race. (Photo: Fred E. Camfield, Wave Dynamics Division, U.S. Army Corps of Engineers, Waterway Experiment Station, 3909 Halls Ferry Road, Vicksburg, MS 39180.) [Photo taken in August 1990]
